## 1. Returns

Unused products can be returned within 30 days of delivery for a full refund. Products that have been used can be returned within 14 days if they are faulty. Return shipping is free for faulty items; for change-of-mind returns the customer pays a flat fee of 6.95 EUR.

## 2. Refund Timing

Refunds are issued to the original payment method within 5 business days after the returned item arrives at our warehouse.

## 3. Warranty

All Brightleaf appliances carry a 2 year warranty from the date of purchase. Registering the product in the Brightleaf app within 60 days extends the warranty to 3 years. The warranty does not cover limescale damage caused by skipping descaling.

## 4. Making a Claim

To make a warranty claim, email warranty@brightleaf.example with the order number, a photo of the serial number on the base, and a short description of the fault. Claims are answered within 2 business days.
